DOME BLOCK BOOKING

HOW IT WORKS

1. Adult members can book the most popular times to play during the weekday evenings in three 10/11 week 'blocks' throughout the winter. Only full and mid-week members are eligible to book courts.
2. The weekly time slots that can be block booked begin at 7:00pm and 8:15pm on Mondays, Tuesdays and Thursdays.
3. Approximately 10 days before each block booking period commences, a meeting is held in the clubhouse on a Wednesday at 8.30pm at which time courts are confirmed and payment made by the designated court 'booker'.
4. If more than three different groups request the same time slot on the same day, the Dome Member will conduct a draw to decide who 'wins' the courts for that block of slots. The unlucky loser will have priority for the next session.
5. Only one booking may be made by each member.
6. Ad hoc bookings can be made no more than two weeks in advance.
7. Members usually form groups of players who can participate in playing together throughout the winter.
